The absence of any title from these cumulative listings means only that the book has not yet been approved. The appearance of any title on these lists means that, while we may disagree with some things in it, we believe the book is honestly written from an americanist (as opposed to a communist) and honest point of view.

In future bulletins other titles, of both new books and old ones, will be added to this list. And probably the easiest way for you to obtain any of these books you might wish to buy is from THE BOOKMAILER, Box 101, Murray Hill Station, New York 16, New York—or from POOR RICHARD'S BOOK SHOP, 5403 Hollywood Boulevard, Los Angeles 27, California.
